Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

1. Question: Can I bid on one or two counties, or do I need to bid on all of them?

Answer: As stated within the IFB FL 070622 on page 17, Section 17. Evaluation Criteria: Method of Award “Awards will be made by county. A bidder may bid on one or multiple counties and multiple contracts may be awarded. A bidder may be awarded one or more counties. If awarded, all sites listed under each county are to be provided Trash and Recycling Pickup services by the winning bidder. Pricing for both services, for each site listed under a county must be provided, if a bid is to be considered for that county.”
