Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

- 1. Question: Why does it only say Clusters 1, 2, and 5 on the Cost Proposal Form? Where are Clusters 3 and 4?**

Answer: New York State Industries for the Disabled (NYSID) was given the right of first refusal for this procurement as per State Finance Law § 162. They originally said they would be interested in Clusters 3 and 4 so they were not bid out in IFB FL 121322. They have since changed their mind and provided a waiver for Cluster 3. As a result, it is anticipated that another Invitation For Bid (IFB) will be released in the very near future for Cluster 3 in Monroe County.
